

## KNEE PAD INSERTS

TB0 A3T6I 827-0B  
**ANTI-FATIGUE KNEE PAD**  
ONE SIZE FITS ALL

### FEATURES

- Anti-Fatigue Technology absorbs shock, provides cushioning and comfort, and helps maintain proper positioning
- OrthoLite® Open Cell Polyurethane Foam cushions and provides resilience, while the low-density top layer conforms to the knee for a better fit
- The bar-tack positioning system lets you move freely between varying work surfaces without compromising comfort or protection

**Ortholite®**  
comfort foam insoles
