MEET ME AT
MADISON
SQUARE PARK

"In the springtime, I will look for any excuse to get outside. Whether I'm craving a good burger with friends, in need of a yoga session, or going on an afternoon date, Madison Square Park is my go-to hangout when the weather gets warm. It's a great escape from the midtown hustle and my busy schedule."

**HANG OUT
ON THE
HIGH LINE**

“The High Line is one of my all-time favorite places in NYC. It’s a playground for grown-ups! Since it’s elevated above the West Side, there are awesome panoramic views of the Hudson River and city skyline. It’s also filled with greenery and art—an escape right in the city. And with all the chic restaurants, bars, and boutiques nearby, it’s like no other New York hot spot.”

GO OUT ON THE TOWN

"For me, the best part of springtime is that you can be outside all day. There's no city in the world that has better nightlife than NYC. Whether I'm having dinner outside in the West Village or rooftop cocktails with my girlfriends, there is always something fun going on."
—Erica
